## MIGHTY OAKS FOUNDATION

### Love the Elderly

Mighty Oaks News- August 2018

#### The ACE Centre for intergenerational learning

##### What is ACE?

ACE stands for **A**nchor **C**hildren with **E**lderly.

In April 2018, Mighty Oaks Foundation was selected by the Urban Renewal Authority to occupy the beautifully renovated heritage site at No. 11-12, Yu Lok Lane, Sai Ying Pun as the base for Mighty Oaks' ACE Programs. Here, Mighty Oaks is establishing HK's first learning centre with an intergenerational focus, creating a landmark in HK.

#### Goals

##### Intergen Learning. Inspire. Improve

The ACE Centre offers a range of innovative courses focused on the

We believe that families who learn together thrive together. We promote closer family ties through learning together and promote a stronger intergenerational community through hosting community events.

### Community exhibitions and events

In July, 2018, the ACE Centre held a community exhibition and art event for our friendly neighborhood and Kau Yan students and their family members.

Art works from an ACE Academy project between Kau Yan School, Chuk Lam Ming Tong Care and Attention Home for the Aged and Po Leung Kuk Law Kwai Chun Home for the Elderly were displayed. All had fun at the community Art event where different generations came together and helped to decorate the Noak's Ark collage.

### What's on this Summer?

The theme of our summer classes is “Meet the Grandmasters”. Students are learning about the life and work of Beethoven, Mozart, Van Gogh and Picasso. Through absorbing the stories of these famous artists/musicians, students are learning to express their feelings through painting and music. Parent/grandparents have been collaborating with the students in exploring something new together.

### Regular classes

Going forward, ACE Centre will offer innovative visual arts, music and language classes for 3-12 year olds, collaborating with parents/grandparents, taught by experienced instructors.

**Communication:** confident and clear communication, enhanced interpersonal skills

**Character building:** empathy, respect, teamwork, fostering understanding across the ages
