Abstract:	Mighty Oaks Foundation, which is committed to improving the lives of the elderly, has organized the Anchor Children with Elderly Community Programs – ACE Academy" since 2017. The elderly and the primary school students will learn painting, music and even growing vegetables in regular classes. Elsie had previously visited the Pok Oi Hospital Tai Kwan Care and Attention Home in Tin Shui Wai with the teachers and students from the Chinese YMCA Primary School in the same district to see how they learned to do ornaments.
