

Mighty Oaks Foundation (www.mighty-oaks.org) is an NGO dedicated to improving the lives of elders and youth through intergenerational collaboration and programmes, for the benefit of all. Our vision is to create age friendly communities by connecting elder facilities with nearby schools. Our flagship programme, ACE Academy (Anchor Community with Elders), provides regular intergenerational engagement focused on relationship building. These programmes enhance the well-being and sense of purpose for both elders and youth. Youth also learn to understand, respect, and value the contributions of elders to society.

Since 2017, Mighty Oaks has partnered with 124 elder facilities and 70 schools for various intergenerational programmes, serving close to 51,000 elders and 22,000 students.
